

# Buccaneer Excavator Mini

This lightweight hydraulic mulcher is suitable for use with smaller excavators ranging from 1.5 to 30 tonnes and will cut branches up to 120mm in diameter.

The Buccaneer Excavator Mini is available in 5 different working widths. Available as **MDH** (Swing hammers) and **MDHF** (Fixed hammers).

## Key Features

- Working with oil pressure ranges of 180 to 200 BAR
- Working with oil flows between 45 to 110 L/min
- Weight options from 310kg up to 640kg
- Skids to protect head
- Adjustable working height

# Tree Lopper

Hydraulic operated tree loppers for cutting and pruning large tree branches.

Cutting capacity up to 450mm diameter (350 model). Attachment fits excavators from 1.5 tonnes to 14 tonnes.

## Key Features

- Working with oil pressures up to 110 bar
- Weight options for 190kgs to 575kgs
- Can be fitted on mini excavators
- 360° rotator
